### Archives

The principal archive material used is from the set of papers left by Kearney on his death (his personal archive). I have worked with these files, and built on the cataloguing that Kearney had already begun, so that these papers have now been incorporated into the archive of the Denis E Hurley Library at St Joseph's Theological Institute (SJTI) based at Cedara near Pietermaritzburg.

Since most of the material is related to Paddy Kearney, it has the primary reference 'SJTI Archive: BIO-496'. The main categories in the archives, and the key material included, are:

- BIO- 496/A Curriculum Vitae, documents about family, religious, educational background, achievements, special documents. Here are included Kearney's B.Ed. and M.Ed. dissertations and preparatory papers.
- BIO- 496/C Correspondence to and from Kearney (in particular the handwritten letters that he sent to his parents during extensive travel abroad in 1958, 1972/73 and 1991/92.
- BIO- 496/D Unpublished material such as Diaries, Notebooks, Sermons, Reports, Liturgical Notes, Spiritual Writings, Hymns, Poetry, Annotated Items e.g.: Pamphlets, Programmes etc. This includes 'Morning Papers', a daily journal that Kearney kept when travelling to UK and USA (mid 2005) and UK and Ireland (mid 2006). Here are also minutes from meetings attended by Kearney in relation to the Cathedral and also the Social Cohesion Group.
- BIO- 496/E Ecumenical material related to Diakonia and the various other KZN Christian organisations and also the Gandhi Development Trust.
- BIO- 496/H Kearney's own work pertaining to Archbishop Hurley: this is extensive and includes press clippings about +Hurley, letters from +Hurley, papers presented by +Hurley, and Kearney's papers for the preparation of his books about +Hurley.
- BIO- 496/P Published material by or about Kearney such as Addresses, Lectures, Articles, Reports, Newspaper Cuttings (plus there is also a published anthology of his writings)<sup>1453</sup>
- BIO- 496/XP Photographs and Slides (though a much more extensive electronic collection of images resides with the Denis Hurley Centre).
- BIO- 496/XV Videos, DVDs, CDs

In the SJTI archive, materials that are referenced 'SJTI Archive: BIO-11' are related to +Denis Hurley. Key among this now are the papers that were in Kearney's personal archive in relation to the Denis Hurley Centre.

BIO - 11/W/3 Minutes of meetings, reports from architects, press clippings
